Custom-made items

Glowing Letters
Tailor-made and used as part of a charity-event. These letters are a highlight on any wall. Implementation and design are carried out as wished for.

Bar Sign

WILD TURKEY – The American icon among whiskeys. The ‘Wild Turkey Bourbon’ bar sign underlines this status in a very special way. The double laser-engraved, solid ash wooden board promises an extravagant appearance in any bar. Either as a stand-up display or wall decoration. This wooden piece was designed in accordance to a customer’s request and certainly is an eye-catcher.

Beer Carrier

“I’ve only got 2 hands“. The Bitburger Beer Carrier helps to solve this problem, as it can take 6 glasses at a time. The size can be chosen individually. The choice of material (wood) and the branding of the logo complete the classy design.

Bottle Bag
Drinks on the go. The Köstritzer bottle bag can take 8 bottles at a time. Bottle bags can be dyed individually and finished with embroidery. Offers space for 6 or 8 bottles. Material felt.

Retro Enamel Mug
Stroh Rum is trendy – Stroh Jagertee is the perfect way to enjoy real Jagertee. How could one highlight this cult label better than with a trendy enamel mug. The mug was produced for a retail promotion and delivered to the customer pre-packaged. The clever packaging prevents anyone simply taking the mug and thus ensures additional revenue at the POS.

Mini Bottle Crate

Designed and produced for Killepitsch: the high quality and popular mini bottle crate containing 12 small Killepitsch-Liqueurs: Any liqueur connoisseur is perfectly equipped at any moment with this little case.

Bottle Opener

Work is over and the sun's out. What could beat a cold beer? Two cold beers. It could not be easier than with the scratch-resistant double bottle opener by Pilsner Urquell. It allows you to pop open two bottles at the same time. This double bottle opener can do more than its counterparts. Made of stainless steel and refined with a high-quality and effective stamping of your logo. Designed and produced specifically for the customer SABMiller Brands Europe.
